

A modern, minimalist table lamp with a green, conical shade and a matching green stem and base. The lamp is illuminated, casting a warm glow. It sits on a dark wood bedside table. The background is a wall with a complex, layered texture of grey, white, and yellowish-green, resembling a mix of plaster and fabric. In the foreground, a white pillow is visible, partially cut off by the bottom edge of the frame.

LAMPES-À-PORTER

IT

Zafferano Lampes-à-porter è una collezione di innovative lampade portatili a LED, senza fili, con batteria ricaricabile, che permettono di agire e vivere con maggiore libertà, intensità e completezza. Sono luci versatili e funzionali, che hanno diversi stili e forme ma sono sempre caratterizzate da un design pulito ed elegante; consentono assoluta libertà di collocazione, all'interno o all'esterno, per illuminare ogni attività e ogni momento della giornata.

FR

Zafferano Lampes-à-porter est une collection de lampes LED portables innovantes sans fil avec batterie rechargeable qui vous permettent d'agir et de vivre avec plus de liberté d'intensité et de complétude. Ce sont des luminaires polyvalents et fonctionnels qui ont des styles et des formes différents mais qui se caractérisent toujours par un design épuré et élégant en permettant une liberté absolue de placement à l'intérieur ou à l'extérieur pour éclairer chaque activité et chaque moment de la journée.

ES

Zafferano Lampes-à-porter es una colección de lámparas portátiles de LED innovadoras, sin hilos, con batería recargable, que permiten actuar y vivir con mayor libertad, intensidad e integridad. Son luces versátiles y funcionales, que tienen diferentes estilos y formas, pero que se caracterizan siempre por un diseño limpio y elegante; presentan una libertad de colocación total, en interiores o exteriores, para iluminar cada actividad y cada momento del día.

EN

Zafferano Lampes-à-porter is a collection of innovative portable and cordless LED lamps, with a rechargeable battery, allowing people to move about and live with greater freedom, intensity and completeness. They are versatile and functional luminaires, with different styles and shapes but always characterized by a clean and elegant design; they allow absolute freedom of placement, inside or outside, to illuminate every activity and every moment of the day.

DE

Zafferano Lampes-à-porter ist eine Kollektion innovativer tragbarer LED-Lampen, die kabellos und mit wiederaufladbarem Akku sind und es Ihnen möglich machen, freier, intensiver und globaler zu handeln und zu leben. Es handelt sich um vielseitig anwendbare und funktionelle Leuchten, in verschiedenen Stilen und Formen, aber absolut klar und elegant im Design; sie können, wo immer sie wollen, im Innen- oder Außenbereich aufgestellt werden und jede Aktivität und jeden Moment Ihres Tages beleuchten.

PT

Zafferano Lampes-à-porter é uma coleção de luminárias LED portáteis inovadoras, sem fio, com bateria recarregável, que permitem agir e viver com maior liberdade, intensidade e criatividade. São luminárias versáteis e funcionais, que apresentam diferentes estilos e modelos, mas que se caracterizam sempre por um design clean e elegante; permitindo liberdade absoluta de utilização, para uso interno ou externo, iluminando todos os momentos do dia.
